*"The Old Dominion Quarterly"*

*"2009 Fall Celebration"*

## THANK YOU Lakeside Moose

The Board of Directors would like to send a very SPECIAL THANKS for your great hospitality, good food and your dedication on making our annual picnic a success. You stepped up and took on this job without us asking for help. You guys and gals did an outstanding job, we do appreciate you!

### *Letter from the President*

Brothers,

First let me start off by saying Tappahannock-Warsaw did an outstanding job with the Summer Celebration. The music was great; the food was good and plenty. A lot of activities and fun was had by all. I would like to thank Brother Keith Carpenter (Administrator), Brother Will Lumpkin (Governor) and Brother Cake Lankford (MLC) and the entire Board of Officers, Moose Legion Committee and of course the WOTM. I am sure all pitched in to make this a memorable event. Thank you!

I would also like to thank Brother Everett Shinault (Administrator), Brother Otey Haden (Governor) and Brother Rusty Clarke (MLC) and the whole Lakeside Bunch for stepping in and doing a fantastic job on the ODML#148 Picnic. As usual the food was great, the company was good and they really know how to put on a picnic. Of course the weather was a little damp, but we were inside where it was nice and cool. A great time was had by all.

Now let's get down to business, the Fall Celebration is just around the corner. Hopewell Moose Lodge will be hosting it this year. It will be held on October 9-11, 2009. They have a lot planned for us along with plenty of food. There will be live music Friday and Saturday with plenty of activities to keep us busy on Saturday. I hope all of you will try and join in on the festivities with us at least one of the days. We hope to see you all weekend. Please mark your calendar and plan on attending the Enrollment on Sunday, October 11, 2009 at 11:00 AM.

Right around the corner will be the Winter Celebration in Hampton. That will be here before you know it. The room registration form is available on the ODML#148 website ([www.odml148.com](http://www.odml148.com)) and also on the VMA website ([www.vmaweb.com](http://www.vmaweb.com)). If you have not attended any of the #148 meetings, you really need to because there have been some changes made for the Winter Celebration that you need to be made aware of.

Our monthly meeting schedule and celebration schedule is listed on the last page of this quarterly and also on the website.

Fraternally, Keith Williams

## Secretary's Letter

First of all I want to extend Brenda's and my sincere thanks to the Board of Directors, Appointed Officers, and their significant others for the evening out in our honor upon my receiving the Pilgrim Degree of Merit. The gifts of the new Pilgrim jacket, mug, and medallion was and forever will be always appreciated.

The Board of Directors with the cooperation of the Moose Legion Committees are doing an outstanding job. As of this letter we are at seventy six percent of our Special Projects goal. There are only ten MLC's that have not made their commitment to this project. We are also at seventy six percent completion on our Youth Awareness Scholarship commitment and we are only into the first quarter of this year and well on our way to being able to pay our total assessment on both projects by the upcoming International Moose Legion Convention in Indiana. I am also very proud to report the increase in Endowment monies turned into date. As of this date we have remitted a total of \$1,557.57 thanks again to the Directors and the MLC's working together to remind our members of the commitment we all made when we joined to Mooseheart and Moosehaven.

What a celebration the Tappahannock Moose Family Center held this past July. I do believe those folks know the meaning of "having fun". The entire weekend was well planned, the entertainment and activities were thought out and provided everyone with something to do. Let's not forget the great food and hospitality too! The men and women of that Lodge deserve kudos from all of us. In keeping that in mind, the Hopewell Moose Family Center has a full weekend of activities planned for our Fall Celebration. Our Official Visitor that weekend will be VMA President Rusty Byrd and his lovely wife Marie. Please come out and support this celebration and the host Lodge. Your support counts in many ways when determining future host Lodges and participation in ODML #148 events.

We are doing a great job in membership production to date. The momentum is growing but we need to stay on course. The "other" Moose Legions are setting their eyes upon us and want to knock us out of first place. We do not want to take second seat to anyone. Please sign a new or former member today!

The Winter Celebration room registration form is included in this quarterly. Please note that a Moose Legionnaire in good standing and his guest are eligible to attend. The Moose Legionnaire registered must show his card and pick-up the pre-registered name badges listed on the form. Also the hospitality room rules of operation have been modified to address some of the conduct issues we dealt with last year. These rules will be strictly enforced for your Lodge's protection and safety of those attending. Remember your hospitality rooms are an extension of your social quarters. All rules shall apply as they do in your social quarters concerning serving and conduct within your rooms. If you can still enjoy yourself in your own Lodge Social Quarters while adhering to their rules you will not have any problems in Hampton.

On behalf of the Board of Directors, Appointed Officers and Assistant Secretaries, we thank you for your increased levels of support and your willingness to step forward whenever requested to do so. The Fraternalism within the Moose Legion is growing. We are moving to grow and grow we will. If we can be of any help or assistance to your Lodge or Moose Legion Committee, please do not hesitate to ask. We are all here working together for a common cause.

Fraternally, Jim Cridlin

### Note from Chaplain

Here we are in our second quarter of this year. We are off to a good year. So far this month I have heard from 2 Moose Legion Committees. Lakeside Moose Legion is going to host a "Dinner and Show". This function will be held on November 14, 2009. Doors open at 5 PM. Check our website and this quarterly for their flyer with all the information.

Powhatan Moose Legion is helping their Lodge put on a Powhatan Fall Festival which is one of their main money makers and community service projects. The date will be October 3, 2009.

All you other Moose Legion Units out there, please send me your functions and dates, and I will get them in the next quarterly newsletter. Remember you can post all Moose Legion functions on our webpage @ [www.odml148.com](http://www.odml148.com).

(Chaplain con't)

I will be taking over the Sickness and Distressed in the near future, so if you know of anyone we need to contact, please let me know at this email address [SAM3928@aol.com](mailto:SAM3928@aol.com)

Fraternally, Sam Barnhill

### Note from Vice-President

Thank You - Thank You - Thank You - Thank You

For the 1<sup>st</sup> quarter this year, I am very proud to report our membership production ranking put us 1<sup>st</sup> in the State and 1<sup>st</sup> place in the Nation. Great Job Brothers. The following is a list of sponsors that got us there. Dave Bardon and Jim Cridlin that received the Elite 5 Pin for 5 or more members. The "I Got Mine" badges were awarded to Bob Blankenship, Jeff Sklarek, Jack Beck, John Schutrumpf, Sam Barnhill, Keith Williams, Randolph Jones, Carlton Barricks, Herbert Clark, Charles Bordonie, Johnny Mccauley, Bruce Cecil, Charles Lankford, John Tate, Mark Schneider, Jerry Burcham, and Rick Harshman. Thanks Brothers!

Being the 1<sup>st</sup> place and staying there is what really counts. There are Moose Legion units that are right on our tail. Let's all sign a new member and keep the momentum going. Remember "JUST ASK". This standing was through the month of July. We had several applications turned in for the month of August. Those names will be in the next newsletter along with all others who sponsor a new applicant in the 2<sup>nd</sup> quarter. Keep it going!

Fraternally, Jack Beck

### Report of the Ad Chairman

It is hard to believe but this February will be the 45<sup>th</sup> year for our Winter Celebration. Let's make this a memorable one and have one of the largest Program books ever. The Ad packs were distributed at the August 6<sup>th</sup> meeting at Powhatan, check with your Lodge Moose Legion for forms for placing an ad.

Ads can be personal, business, Lodge or Chapter - prices run from \$10 for a 1/8<sup>th</sup> page to \$80 for a full page. Ads help raise funds to help cover the cost of

the Celebration, plus your Lodge Moose Legion earns a 15% commission on ads sold through your Lodge.

If you can not get a copy of the ad form, please call me at (804) 519-5196 and I'll get you the forms. The ad deadline is December 15<sup>th</sup>; please help by selling or buying ads.

Fraternally, Charlie Curtis

### Fraternal Director

There is currently a \$500 giveaway in progress throughout the different lodges of the Moose Legion. See your Moose Legion secretary for tickets. The drawing will be held at the Fall Celebration at Hopewell after the enrollment ceremony. Anyone wishing to acquire more tickets to sell or to purchase you may contact Jeff Sklarek at 502-7317. Thank you for your support of the #148 Moose Legion.

There is also a raffle for a 32 inch LCD Sony flat panel television going on this drawing is to go on until the Winter Celebration at Hampton in February. The tickets are available now so that we will have plenty of time to sell them as there are other fundraisers going on at this time. The tickets are only \$3.00 each; this is not a lot of money to try to win a flat panel TV. You may also contact me for these tickets if needed. Good luck to all.

I hope everyone had a great time at the #148 Moose Legion picnic at Lakeside Moose Lodge. I would like to thank Lakeside for hosting this event and inviting me to play the music. The food and hospitality were great.

Fraternally, Jeff Sklarek

### *"Be A Piece Of The Solution..."*

Moose International has selected this motto for us this year and I think it is a very important point for us to ponder. If we are not a "Piece Of The Solution", then aren't we being a part of the problem? I would like to think that most of us want to "BE A Piece Of The Solution". I believe that the majority of us hope for the best from our Lodges and strive to make our Lodges a special place for our friends and families to enjoy.

I would like to recognize a lodge that has been doing a remarkable job of making sure they are "A Piece Of The Solution". Richmond-Lakeside for the past few months has been consistently conducting the "9 O'Clock Ceremony" every Friday night in their Social Quarters, as well as at all of their Lodge's picnics and special events. Their re-dedication and commitment to supporting Mooseheart and Moosehaven through the Endowment Fund has been heartwarming. I would like to extend a sincere "Thank You!" to the Administrator - Everett Shinault; the Governor - Otey Haden and his Board of Officers; the MLC Chairman - Rusty Clarke and his Board of Officers; as well as the WOTM Chapter and Sports Committees that make the Endowment Fund Collections a significant priority within their Lodge. I wish the Endowment Fund collection was such as priority for more of us. After all, we all made commitments to take care of our children at Mooseheart and our seniors at Moosehaven when we joined this Fraternity!

It would not be fair not to also mention some other lodges that have done an outstanding job of fulfilling their fraternal obligations as far as Endowments. Blackstone and Dinwiddie have both come on strong so far this year, a few more that are coming on strong are Richmond-East, Tappahannock and recently Richmond-Tuckahoe. It would be fantastic to mention every lodge within ODML next quarter...please get together with your members and officers and make it happen!!!

On a final note...the only "Golden Ball Ceremony" that I have heard of being scheduled so far this Moose Year is at Sandston's Labor Day Picnic. Please keep in mind that the "Golden Ball Ceremony" and/or "The Legacy of the Moose Ceremony" are required to be conducted by all Lodges. By the time of this newsletter publication, all Administrators and Governors should have received a letter regarding this. If any lodges or members need any information or help with this, please feel free to contact me.

Please....let all of us strive to "BE A PIECE OF THE SOLUTION".

Fraternally, John Schutrumpf

## Greetings from the Jr. Past President

As Junior Past President of Old Dominion 148 Moose Legion, one of my responsibilities is the retention of members who have not renewed their membership in their respective Lodges. When a member does not renew his membership, a direct correlation of loss of his membership in the Moose Legion occurs.

The object of my report is why former Moose members are leaving our Fraternity, and to offer possible solutions. This is an unscientific poll and only reflects what I learned by contacting former members.

I have contacted seventy five former Moose Members asking them to re-join our Fraternity and what made them want to leave.

51% thought the Lodge dues are too high:

- A.** Senior citizens on fixed incomes stated they could not afford the increase. Most Lodges have a number of Senior Citizens who paid their dues but seldom attended a Lodge function. Members that

decline to pay their dues results in a net loss of \$28.00 dollars per former members to Moose International, and \$17.00 dollars to the Moose Legion.

- B.** Younger members advise that they are working fewer hours or have lost their jobs. They advise that work is difficult to find and they are spending their available funds on family expenses. This results in a net loss of \$28.00 dollars per member to Moose International, and \$17.00 to the Moose Legion.

26% left because of smoke filled Social Quarters.

- A.** They expressed concerns about their and their children's health. They enjoyed the Lodges activities for the most part, but health concerns are the major factor. This results in a net loss of \$28.00 dollars per member to Moose International, and \$17.00 to the Moose Legion.

12% Dissatisfied with their present Lodge

1. Little or no activities for their children.
2. To many cliques in the Lodge
3. Boards of Officers or Administrator are viewed as Dictators.

This results in a net loss of \$28.00 dollars per member to Moose International, and \$17.00 to the Moose Legion.

The balance expressed that they would not return to the Moose Fraternity under any circumstance.

I personally have signed former members into Lodges that have more affordable membership dues in an effort to retain them as good standing members in our Fraternity. This effort of good faith resulted in unintended consequences.

I learned that if you enroll a former member into another Lodge as a new member of that Lodge, with dues that have expired less than two years, they receive a new MID number, and that member loses their membership in the Moose Legion. He must sign three members in six months or one member after a year. Most members that I have re-enrolled are upset about this requirement.

If you re-instate a former member as, the member can keep his old MID, but cannot re-enroll in the Moose Legion immediately. He has to sign three members in six months or one member after a year. Most members that I have re-enrolled are upset about this requirement.

To transfer a member to a new Lodge, their existing Lodge Dues must be brought current and also pay a transfer fee of \$20.00. I can tell you that this option was summarily dismissed by the members. They told me, "Why would I want to pay my dues plus \$ 20.00 to be a member of a lodge I do not want to be a member of? I would rather leave the Moose Fraternity."

I can only report what is happening in ODML 148, but I believe that if every person responsible for retention did their own survey, and the numbers reflect what I have found, positive steps could be taken too retain both Lodge and Moose Legion members. If we can re-enroll these members it would be a net sum gain of \$ 28.00 dollars for Moose International and \$ 17.00 dollars to the Moose Legion per member.

I humbly suggest that all MID numbers become a permanent number. This would allow the Membership Department to instantly review whether or not that member was ever a Moose Legionnaire. The re-enrollment date would become his date of record.

This could possibly result in an influx of a tremendous amount of lost dollars to our Fraternity.

In these times of a depression and high unemployment, I believe it becomes necessary to adopt a strategy to keep members and also develop a temporary program designed to re-enroll former members as easily as possible.

I suggest that we allow former members who are dropped from active status within a two year period to keep their MID identification and Moose Legion status, upon being reinstated in that Lodge and payment of the Lodge and Moose Legion dues.

Suggest Solution:

- a. Allow any member to transfer membership to another Lodge without any penalties to retain them in our Fraternity.
- b. Senior Citizens on fixed income would be offered the opportunity to transfer or remain in their current Lodge by paying their dues in two payments, six months apart. This would lessen the financial impact on their income.
- c. Direct Moose International Membership Department to develop a mandatory survey sheet with penetrating questions to be filled out by each Lodge. This will help us understand why we are losing members. This survey should allow the Membership Department to change what needs to be changed and strengthen things that are working. This possibly could result in our Fraternity becoming more financially stable, and increase our membership considerably.

Respectfully submitted, David Bardon
