

OLD DOMINION MOOSE LEGION #148

"MOOSE – RAISE THE ROOF"

2016-17 Spring Quarterly

Message from the President, Jack Gaulin

Fellow Moose Legionnaires

Our membership applications have increased again. We are still number 2 (two) in the Nation and number 1 (one) in the State. Keep up the good work and maybe we can be number one in both the Nation and the State. I want to thank all who are working hard signing new members.

At the present time we are experiencing financial problems because we did not reserve 150 rooms at the Winter Celebration. We need more support for this celebration or we may have to look for an alternative way for this Celebration. We have 19 lodges in ODML #148 and we cannot get Moose Legionnaires to fill 150 rooms. Let's have fun. This is what the Celebrations are all about. We need the support from all our lodges.

I want to thank the lodges that had Hospitality Rooms. They worked hard and had a good time. Thanks again!

Remember – Do some good thing for someone each day while providing greater service to the Moose Fraternity.

Financial Director, Doug Price

Well it is almost time for anew MLC Board. This year we had some ups and downs. But we maintained. I'm looking forward to the New Year. Thanks to everyone for letting me serve as your Financial Director for the past year.

Chaplain/Publicity, Jeryl Mann

If any Moose Legionnaire has any information regarding sickness, distress or any upcoming events, please contact me at 804-895-2978 or email me at jeryl.mann@gmail.com.

I want to thank each and every one of you for the opportunity to serve on the ODML #148 Board of Directors as your Chaplain, it was a rewarding experience.

I would hope that you will show the incoming Chaplain the friendliness and support that was shown to me. Again thank you and God Bless you all!

Vice-President, Robert Bateman

Moose Legionnaires:

Spring is upon us. As we leave winter behind to start doing more outdoor activities; let us not forget our friends and the good times we have had this winter.

Remember retention is the key to staying close to a lot of your close friends and associates. Remember the all the good times you had just being able to sit and talk, the games you played or just the plain old social events you went to. Retention was the key to it all. So don't forget retention is what makes everything happen.

From the Secretary's Desk, Jim Cridlin

Brothers:

Thank you all for your calls, thoughts, and most of all your prayers for my wife Brenda, She has a long ways to go but each day we are making baby steps in the right direction.

I want to thank the Board of Officers who served this year for doing a noteworthy job during their term of office. Some of these guys were and in some cases still are fighting their own personal battle. Kudos to you guys.

The election for your new Board will take place at Sandston in April during the Spring Celebration followed by their installation. Please come out and show your support.

Fraternal Director, Robert E. Lee, Jr.

Hi fellow Moose Legionnaires,

I would like to thank everyone for their efforts and support this year. Winter Celebration was a blast, if you missed it you should really make plans to attend next year's.

The Golden Ball Ceremony is very important if you haven't done one yet it's not too late to do one!

Thanks again for your support.

"Do some good thing for someone each day"

SPREAD THE WORD.....

Moose Legion

These Moose Legionnaires feel an increased level of pride in membership. Opportunities to be leaders and to provide additional support for the Order's philanthropic causes in relation to Mooseheart & Moosehaven are recognized through involvement in this degree.

Each lodge is encouraged to organize Moose Legion Committees. These groups hold various functions for the social enjoyment of the local members. By so doing not only do the members enjoy their membership even more, but additional support is generated for the lodge itself.

Additionally, an area of lodge's band together and unify efforts to form Moose Legion jurisdictions (sort of like a district). These jurisdictions then hold additional functions for members, set up by the boards of directors elected by the members. They raise significant funds for support of Moosehaven and Mooseheart as well as general support of the state and provincial associations and indeed the fraternity itself.

The Moose Legion is known as being the "Degree of Service" because of the many programs it supports. It is also possibly even better known as the "Fun Degree." Our members do like to enjoy themselves! Our mission is: "To have fun while providing greater service to the Moose fraternity." Our motto is: "To do some good thing for someone each day."
