

OLD DOMINION MOOSE LEGION #148

Moose Honor – Community

Summer Quarterly 2017

Message from the President, *Robert Bateman*

As we begin this New Year, I am proud and honored to be serving you as your new President of ODML#148. I would like to thank everyone personally for their vote of confidence in me to hold this position. I promise to do my best to build this Moose Legion into a positive and productive manner while striving to make it more fun for all.

Feel free to contact me or any of the Board with your suggestions and positive input. With your help we can put ODML#148 on top again.

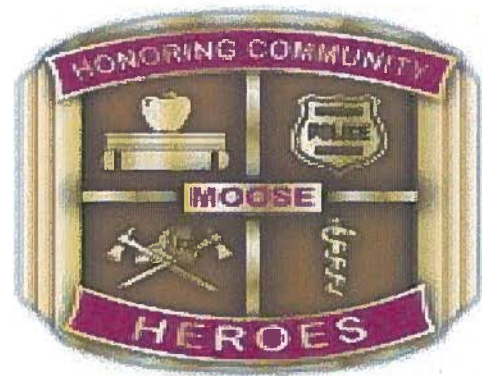

Membership & Retention is the key to our success. Without your support we cannot survive. We need to make sure that every Lodge has a Moose Legion Committee and that they are all working for this single goal; and that is to build a Strong Moose Legion while still having fun in everything we do.

I would like to thank everyone in advance for all their hard work and dedication. Remember our motto "Do Some Good Thing for Someone Each Day". Thank you each and every one.

Secretary's Desk, *Jimmy Cridlin*

The new Directors have been installed and we are off to a new "Moose Legion Year". This Moose Legion jurisdiction had an adverse and costly Winter Celebration this past February due to lack of support by our Moose Legionnaires and Lodge MLC's. After all was said and done; only 82 rooms were booked with over 1,300 members. That was a very poor showing. Some of you have already noticed we have the Winter Celebration blocked in for Hopewell this coming year.

Booking a hotel is not a problem. We need to decide how we are going to generate enough interest to afford to do so. There needs to be some expectation that our membership still wants the celebration as we have had in previous years and are willing to support it. I am looking forward to your constructive feedback. We cannot put the cart before the horse. In any case, the celebrations will have to be handled differently than in the past.

Vice-President/Membership, *Jeryl Mann*

We are beginning a New Year and as your Membership Chairman, I would like to see an increase in membership. And to accomplish this we need to ask Moose Members in your Lodge "Would you like to take the first step toward the Higher Degree and join the Moose Legion?" We have Fun and Fellowship.

Our campaign for this year is a continuation of our previous one. The first 15 Legionnaires who sign 5 new Legionnaires, your name will be placed in a drawing for \$500. So just ask your Moose Members to join the Moose Legion.

Remember retention is the key to staying close to a lot of your close friends and associates. Retention is what makes everything happier.

Chaplain/Publicity, Doug Price

As I start another year on the ODML Board, I sure could use your help. Please let me know if you have a member who is in the hospital or has a health issue. I will try hard to go visit them in the hospital as your representative. And let me know about any positive newspaper or TV ads that reflect a good image of your Lodge or the Moose Legion.

Financial Director, Robert E Lee, Jr.

I look forward to serving as your Financial Director this year. We have a \$1,000 raffle tickets going around \$10 per ticket and only 200 tickets will be sold, so get yours before they are all gone. It will be drawn at the Summer Celebration in Tappahannock in July.

I am asking for your help, any MLC who would like to have a joint venture with ODML #148 please contact me at (434) 473-3324 or email general4.rl@gmail.com. We need to come together and have fun while raising funds and MEMBERSHIP!

Thanks again for your support.

Fraternal Director, Angel L. Martinez, Jr.

Thank you for the privilege of serving as your Fraternal Director for this coming year.

In conformity with COR, Moose Legion the Degree of Service, dated 1st, July 2016.

My obligations are as follows: Perform duties required, validate Rituals of the International Moose Legion. Chairman of the Fraternal Operations Committee, responsible for collecting MooseHeart and MooseHaven endowment funds at all meetings, facilitates in the performance of the Legacy of the Moose or Golden Ball Ceremonies by all lodges, an obligation on an annual basis. Ensure ritual of the Moose Legion, validate the principles, goals and ideals of the degree of service by the International Moose Legion Council, and amplify rituals in various ceremonies and conferral of members into the degree of service. Along with the ritual staff raise funds for International Competition.

Furthermore encourage, foster, and invigorate membership to provide assistance and to facilitate with all of our fundraisers this year. We just can't do this unaided, I thank you, and I'm sure the Board of Officers, Old Dominion Moose Legion #148, extend our genuine appreciation / gratitude in whatever the membership delivers.

The first fundraiser promoted will be a paid Moose Legion Lifetime Membership or \$500 to the winner, only 150 tickets will be sold at \$10 per ticket. Tickets go on sale, May 1st through July 23rd and drawn at the Tappahannock Warsaw Summer Celebration. Tickets can be bought by any Moose member. The more tickets you buy the greater your chances of winning.

Jr. Past President, Jack Gaulin

I would like to thank all the Moose Legion Members for the great support this past year. Now as your Jr. Past President, I am looking forward to the New Year. Think RETENTION – RETENTION – RETENTION.

We have discussed the need to work the 3-R's all year (Recovery-Retention-Reactivation). We need to contact members coming due and remind them of the good things we do for children and seniors. And in support of our lodges and association, we need to contact those who have come expired already and remind them of these same attributes to convince them to renew and reactivate their membership in both the Lodge and Moose Legion. Your continue commitment to success of ODML #148 is greatly appreciated. Keep up the good work.
